Dear Friends,

Blue Crescent Charities, in partnership with the Nu Beta Sigma Chapter of Phi Beta Sigma Fraternity, invites all golfers to the Isaiah "Ike" Williams Scholarship Invitational, on Saturday, February 25, 2023. Come enjoy the opportunity to get together with friends, family and co-workers for a fun day of golf and networking at the renowned Magnolia Point Golf Club in Green Cove Springs, FL (www.magnoliapointgolfclub.com).

Blue Crescent Charities was founded to help provide scholarships to deserving college-bound men and women from the northeast Florida areas that exemplify high qualities of scholarship and community service. Phi Beta Sigma Fraternity was founded on the campus of Howard University on the belief that elitism and socializing had overshadowed the real mission of fraternities and sororities: to address and correct the problems of society by being "a part of" rather than "apart from" the general community. Net proceeds raised from this event will go towards providing scholarships to northeast Florida area, college-bound high school seniors.

This letter seeks your support and participation in this event through a variety of sponsorship opportunities. Listed below are the various sponsorship levels (Gold, Silver, Bronze Levels, Hole Sponsors and Monetary Donations) which will allow you to support our community service efforts while receiving valuable, focused exposure for your business.

The invitational will begin at 9:00 a.m. with a shotgun start, and players will compete in teams of four in a captain's choice format. Prior to the event's start there will be putting contests, while during the invitational there will be hole-in-one, longest drive, longest putt and closest to the pin contests.

Immediately following the invitational, there will be a reception at the clubhouse where awards to the day's top team and individual performances will be given, meals will be served and presentations by both Phi Beta Sigma and Blue Crescent Charities on the work each organization does in the northeast Florida community.
